This is an unusual proposition offered

in the very heart of the financial dis-

quiring financial district space.

The property is an individual 7-story building,

on a plot 50x53 irregular, on one of the principal

Financial District Streets. It is in splendid con-

dition and ready for immediate occupancy. It

can be purchased at far below its value, on terms

that will be made agreeable to the purchaser, and on a basis that will mean to the purchaser

There is nothing in the whole finan-
